## INDUSTRY AND COMMERCE

## Register of Business Information

| UK18344257909/11 |                 |
|------------------|-----------------|
| Page             | Do not complete |

The details of your company which are held in our data base are those that are shown in the Original Register section. Please carefully check these details. Should the accuracy of your data not be confirmed in time it could be erased in our next update. The basic information contains the company name, address,

telephone and fax numbers. If any details are not fully correct please update these without any cost on our website www.united-kingdom-industry-commerce.com. European City Guide, S.L. is an independent company and is not part of any governmental organisation. If you would like a more complete registration of your company involving a cost, please use this form. Once completed and signed, return the form in the attached envelope.

Please check your data carefully.
